WHO WE ARE

With over 20 years of experience, RJA Electrical Service provides a full range of power solutions to meet corporate and government needs in the most efficient and cost effective manner. We are a small, certified minority owned company.

RJA Electrical Service is dedicated to providing reliable, affordable service and customer satisfaction, with a focus on safety. We have employed best practices and utilize unique collaborative quality assurance systems in order to create the safest and effective work environment. Balancing competing considerations, we ensure comfort and security to all our customers.

GENERAL CONTRACTOR

RJA provides contracting services and committed to quality workmanship in the Mid-Atlantic area. As a general contractor, RJA is a valuable asset at every step of the way, supporting each owner throughout the process. We accomplish this by putting the right team on the right project and through responsible planning, responsible development and protection of resources, and responsible energy use, we are poised to assist our clients in joining the green revolution. We specialize in:

- Self-Perform Electrical / Lighting
- New Construction, Improvements & Additions
- Underground Utility and Duct bank Installation
- Fast Track Tenant Build-Out Projects
- Custom, New & Remodel Work
- Parking Lot & Site Lighting
- Installation of Emergency Systems
- Installing Raised Flooring
- Troubleshooting and Repair of Existing Systems
- Custom, New & Remodel Work
- Green Building Projects
- Demolition

WHY US

- **Team:** Our team of loyal, committed and highly skilled people will meet the project's objectives.
- **Management:** Our team of managers provide productive leadership, set clear goals, hiring highly skilled employees to focus on our customers needs.
- **Integrity:** Trust, utmost respect, honoring all commitments are a few facets which flow down into the company and out to our customers.
- **Ease of Doing Business:** Ensuring open communications, we believe in building long-lasting relationships.
